If you think God’s values and the world’s values can co-exist, think again.

You have to live in this world. But if you want to be God’s man, there’s a catch: You can’t be absorbed or influenced by the world. You have to stand strong as a man of God and resist the world.

Men like you who are getting serious about their walk with God feel a deep, intuitive conflict of the soul...where unholy alliances with the world, which were once acceptable, must now be broken. That’s not easy. But here’s solid, trustworthy guidance for you from men who have been there, too.

In Being God’s Man by Resisting the World, you’ll take a look at Christ’s template of values as revealed in the Sermon on the Mount. Every man who seeks to understand and train in these values will experience a greater connection with God. So forget what you know, focus on these truths, and start living large spiritually.

Special Features:

- Practical studies facilitate personal encounters with God and other men
- Questions encourage genuine reflection and help build godly convictions
- “Real Life” case studies show how the truths you discover have worked out in other men’s lives
- “Standing Strong” section gives you the opportunity to form and express your action steps with God and your group
