Drama and English are key to creative teaching in primary schools. This book is packed with imaginative activities and offers clear guidance on: teaching techniques, including step by step guides, lesson plans and analysis; issues of assessment and progression; classroom examples of cross-curricular drama work including science, ICT, RE, the arts and humanities; practical issues such as inclusion, citizenship, and whole school approaches; This very practical handbook makes a major contribution to the growing literature on drama and its place within children's learning.
