出版时间:2005-8

装帧:

isbn:9780486444482

Easy-to-color pictures introduce youngsters to letters of the alphabet and many occupants of the natural world. They'll find that apples, artichokes, and alligators start

with A and the zebra moth, zinnia, and zucchini begin with Z. In between they'll see lilies-of-the-valley, kangaroos, puffy clouds, and other natural wonders. 30 black-and-white illustrations.
