出版者:Dover Publications

出版时间:2009-7-22

装帧:Paperback

isbn:9780486471792

This three-in-one volume combines a trio of rare classics on artisanal woodworking techniques and designs. Filled with practical instructions, helpful diagrams, and illustrations of finished projects, the manual explores buhl work (creating cabinetry

using metal inlays), marquetry (pieces adorned with colored wood, shells, ivory), and fretwork (low-relief or cut-out decorative designs).
