Having an overachieving super mom for a neighbor is a source of constant struggle for Becca Joy. In comparison, her household seems little more than organized chaos. Even with a supportive husband and great kids, she is relentlessly weighed down by questions of adequacy. Her life seems fatiguing, and a glance in the mirror doesn't do much to cheer her up. Then comes a voice from the past that puts fresh wind in her sails. Her best friend from high school comes to town and the two women rekindle their bond with a girls' night out and embark on a series of adventures that ultimately bring Becca to a new place of contentment.
