Discover the exciting world of the toad, from a garden pond to a remote woodland - explore some of the different habitats that are the toad's home. Could you tell the difference between a toad and a frog? Do you know what a toad looks like when it is 8

weeks' old? Have you ever seen a toad catching its prey? Follow the toad's life cycle, from the hatching of a tadpole to finding a mate. And find out about the threats facing toads today and what can be done to protect them. This work includes an animal map, locator map, life cycle summary and 'unusual fact' boxes.
