Attention All Kitties: --Are you getting what you want from life?--Are you feeling anything less than perfect and invincible in your human home?--Are you wishing you were having more fun?--Are you getting the attention you want when you want it (and ONLY when you want it)? Now, The Bad Kitty's Guide to Life has the answers. The Bad Kitty way helps you deal effectively with humans and get more out of life. Demonstrations and time-tested tips keep you in control of your world without jeopardizing the many benefits of domestication.
