A Parenting Guide Book is a practical, easy to read and use book that tells you what to say and how to say it to your children as a parent, grandparent or significant and responsible adult in the home. Children need their parent/responsible adult figure to be involved in their lives and with their schoolwork. The Parenting Guide Book is just what busy parents, teachers or responsible adults in the home need to assist them with rearing children. The book provides helpful advice, wonderful ideas and ready-to-use strategies all designed to improve parenting skills and school success. A Parenting Guide Book is intended to assist parents and others who are involved in the important job of helping to raise and educate children. Children are our greatest resource; they are our future and an extension of parents. Having quality parental involvement in the early stages of a child's life is crucial and paramount to the growth and development of successful adults.
