Synopsis Costa Rica is one of Central America's most enticing destinations. The Rough Guide Map to Costa Rica and Panama combines clear modern mapping and bang-up-to-date research and is an essential companion to anyone travelling around the two countries by public or private transport. The Rough Guide Map provides invaluable infomation for those exploring the country, from remote Caribbean beaches to unspoilt cloudforests, with detail on everything from road numbers and petrol station locations to national parks and railway lines.
