Lady Skena Maclain has seen much hardship this year, and she fears worse is to come. For a bloody battle in Dunbar has left her a young widow, and her Scottish fortress without protectors. She wishes she could be as hopeful as her babes, who believe the Cailleach, the Lady of Winter, will send them a miracle in time for Christmas. But life has taught her that things can never be so easy...Until a mysterious warrior is found amid a blinding snowstorm, sick with fever. As Skena nurses the handsome knight back to health, even she begins to believe he might bring salvation to her little keep - and passion to her life, as his body awakens a long sleeping desire within her...a desire her touch stirs in him as well. But his wounds speak of danger, and Skena will soon learn, his past carries a secret that could shake her home - and her heart - to their very core.
