"Wine Wars" is the follow up to the bestselling "Foodie Fight Trivia Game". Perfect for anyone who has ever picked up a glass of wine, this fascinating trivia game will challenge your knowledge of the fruit-of-the-vine. Play singly or in teams and let the battle begin as you answer questions in categories such as Vine to Vino (growing grapes, making wine, and world production), Wine Cellar (selecting, storing, and tasting wine), and Cork Culture (wine people, business, arts and science, and trivia). Each time you play you'll learn even more about wine - what is the world's most renowned grape for making red wine (Cabernet Sauvignon); which wine pairs best with spicy Asian and Indian foods (Gewurztraminer). Whether you are new to the world of wine or a devoted oenophile, "Wine Wars" will have you swirling, sniffing, and sipping your way to vinicultural victory.
