This terrific book/CD pack by Dave Eastlee teaches scale fingerings, and lets guitarists

see and hear exactly how they apply to specific chord types in relation to the entire fingerboard. Topics covered include: major scale-chord combinations \* harmonic and melodic minor scale-chord combinations \* pentatonic scale-chord combinations \* whole tone scale-chord combinations \* and diminished scale-chord combinations. The accompanying CD includes 40 demo tracks. For all styles.
