Greg Loudon is a commercial artist with a dark compulsion. His day job has him working for Fortune 500 companies, but his true passion is pin-up art! Fabulous babes and blood-sucking female vampires are more his speed! Creating full-colour paintings for "Marvel", "White Wolf", and "Wizards of the Coast" were just the beginning of his slide to the bizarre. In this all-new collection of material, Mr. Loudon really lets go, showing off his fevered imagination and staggering ability to render females of every description.
