Now Available With CDs This multi-volume method was developed to allow students to

study the art of classical guitar within a new, more con-temporary framework. For private, class or self-instruction. Book One features an all-new format that incorporates chord frames and symbols, as well as a record to assist in tuning and to provide accompaniments for at-home practice. Book One also introduces beginning fingerboard technique and music theory. Book Two and Three build upon the techniques learned in Book One.
