Tired of paying ridiculous prices for service to find out there was a simple solution to your problem? Save money by reading this book before you call for in-home service on major household appliances or heating/air conditioning systems. This book can save you hundreds of dollars in unnecessary repairs. Dishes still dirty after running the dishwasher? Clothes take forever to get dry in your dryer? Washer not spinning all the water out of your clothes? Microwave making funny noises? Range isn't cooking correctly? Look up the type of appliance; find the complaint that matches your problem, read and follow the solution. These and many more problems can be solved by following some simple steps and without ever touching a tool.
