The Seven Spiritual Laws of Success was a phenomenally successful book--more than

1,600,000 copies were sold--and as copies were passed between friends and loved ones, it touched millions more lives. Its author, Deepak Chopra, received thousands of letters from readers, many of whom expressed the desire to convey those same principles to their children, along with questions about how to do so.

This book, *The Seven Spiritual Laws for Parents*, is Dr. Chopra's answer to those letters and to parents around the world who wish to raise children with values that satisfy spiritual needs as well as create the experience of abundance. After a general discussion of parenting and the gift of spirit, this book explores specific ways to practice the Seven Spiritual Laws as a family, how to convey these laws to children depending on their ages, and how to embody them in age-specific activities each day, beginning on Sundays with the Law of Pure Potentiality.

The Seven Spiritual Laws for Parents moves us beyond private triumphs and failures to experience the spiritual nature of communion with family, to share with those closest to us the infinite riches of innocence and love.
