Tuesdays with Jim, host a duct tape pub party, cutting-edge duct tape fashion, and how to prevent losing your remote control between the couch cushions. From Jim and Tim, two guys whose obsession with a certain gray adhesive knows no bounds, "A Year of Duct Tape" is goofy, inspired, and endlessly entertaining, filled with tips, fixes, and appreciations. Your dog have a shedding problem? Wrap his paws in duct tape, sticky side out, and he'll do the "vacuuming" for you! Resume looking a little blah? Make it stand out with a pretty duct tape border. Who knew the miracle of duct tape!
