"Nobody," said the old sailor solemnly, "ever sawr a mermaid an' lived to tell the tale " * Little did Cap'n Bill realize his words would start him upon the greatest and most perilous adventure of his life -- along with the little sea-loving girl Mayre, whom he nicknamed Trot. In "The Sea Fairies," the famous author of the Oz books takes us on an adventure to a fairyland -- one to be found deep below the rolling waves of the ocean Note: this isn't generally considered an Oz book, and you'd be hard pressed to find a mention of Oz in these pages. But in later books Baum wrote characters from this and other books into his Oz titles -- which makes these Oz series books, after a fashion.
