Chambers Adult Learners' Dictionary is a response to calls from teachers of adults for a

clear, easy-to-use dictionary that neither intimidates nor patronizes adults who are learning literacy skills. It provides comprehensive coverage of words essential for adult jobs, relationships and lifestyles, while bold headwords and an exceptionally clear layout make the information easy to locate and read.Chambers Adult Learners' Dictionary has been designed and compiled with the advice of basic-skills tutors, ensuring that it meets the particular needs of adult learners and their teachers.
