Chad Eastham helps teen girls figure out how unbelievably simple guys are and how simple it can be to have a fun and Godly relationship with them. God made guys and girls different in more ways than just the physical. But how different could we really be? After all, we are all made in His image, right? Well, yes, but . . . let's just say that guys and girls view the world very differently and it's a miracle we communicate at all. What's worse is girls this age often think they know what makes guys tick, but they couldn't be more wrong. Chad Eastham tells it like it is to girls from a guy's perspective. His stage presentation is captured on DVD, putting the facts in black and white for girls to see. Includes "Chad on the Street" interviews with teens and recording artist friends captured at conferences and Summer festivals. Perfect for personal use, small groups, sleepovers, or youth group settings.
