This edition combines the renowned Scofield study notes and reference system with the "New King James Version", one of the most popular modern Bible translations. But

that's not all: the fruit of Dr. C. I. Scofield's decades of reflection on the Word of God have been augmented (not revised) to make the ideas underlying the "Scofield[registered] Study Bible's" annotations clearer to modern readers. An abundance of factual information is presented in topical articles, charts, and lists that add depth and richness to study time. Enhanced book introductions, accurate in-text maps, authoritative full color maps, and page bottom notes broaden the context of the reader's understanding. This style's Duradera binding is pleasing to the eye and strong enough to withstand heavy use. These books have sturdy zipper closures that provide an extra measure of protection for the page edges, a feature that travelers, hospital visitors, and anyone who has ever had their Bible damaged while carrying it in a purse or briefcase will appreciate.
