"A lushly romantic adventure story set in the North African desert in 1914, told by the impeccable Lady Treal as she reminisces in her London town house about her decidedly peccable past...Well-written, expertly plotted, perfectly paced."

NEWSDAY

With her anthropologist husband murdered and their caravan stolen by fierce Tuareg tribesmen, Caressa's choices are death or a life of slavery. Concealing her dangerous beauty beneath the faded robes of an Arab boy, she embarks on the adventure of her life, harassed by vicious nomads, slave traders and the envious witch doctor, Isa. Only a handful of carnival magic tricks stand between her and oblivion. Then she discovers an inner magic so mysteriously compelling that the desert people call her a sorceress. With it she will secure her freedom and discover the love of her life....
