The Sonic Archives series has emerged as one of Archie's best-selling trade paperbacks, as fans both new and old can relive the glory days of Sonic the Hedgehog in these high-quality, digitally-restored graphic novels, complete with all the classic Sonic stories from the 1990's! Now with Sonic Archives Volume 11, Sonic lovers can add to their collections issues #41-44, stories which are almost impossible to come across now. And best of all, the colors are completely re-mastered to give the issues a brand-new look! This time around, Sonic and the Freedom Fighters continue their fight to save their beloved King Acorn, finally freeing him from his imprisonment in the Zone of Silence. But while they have rescued his body, his mind remains broken! Our heroes must travel the world and enter the realm of dreams to cure their ruler, while villains old and new enter the arena to add to their woes.
