Finishing touches range from plumping up a pile of co-ordinating cushions to arranging a few cut flowers from the garden in a pretty jug. This clever book is packed from cover to cover with quick and easy ideas that will make a real difference to your rooms in just an hour or two. Along with creative little things to make or customize, there's advice on what to buy and, throughout, there's an emphasis on how to arrange or display your own items to best effect. Find out how to turn a few pieces of simple

cream china into a stunning mantelpiece display or how to show off special souvenirs and memorabilia in a unique way. There are ideas for every room in the house all supported with clear text that puts the skill of the professional stylist into the hands of every home owner.
