Imagine getting the shared views of a mom and her teenaged daughters as they all grow together. That's the unique vantage point the Ladds bring as they explore ways for adolescents to truly add something positive to their spheres of influence. Organized into seven power principles such as "The Power of Confidence," "The Power of Integrity," and "The Power of Responsibility," readers gain the individual perspectives of the three coauthors as well as their combined wisdom. Throughout their discussion, scripture is the guiding force in helping teens live more positively. Parents and teenagers alike will appreciate the real-world discussion of topics such as money and time management, handling peer pressure, survival tips for dating and creating harmony on the home front.
