Bilingual Reading Comprehension is designed for bilingual, two-way immersion, and dual-language classrooms. This valuable resource provides practice in reading for students who read in English, Spanish, or both languages. Identical reading activities

are featured in both English and Spanish, allowing the teacher to tailor lessons to suit a multi-level classroom. Fiction and non-fiction activities reinforce essential reading skills, such as finding the main idea, identifying supporting details, recognizing story elements, learning new vocabulary, and much more.
