Prepare to be scared! Ash's adventures have bordered on the ridiculous and absurd, but the series takes a grave turn to the dark side as he is forced to confront one of the original locales of deep Kandarian dominance. Traveling to the old cabin, Ash must destroy the anchor holding the spirit in the woods to this dimension if he wants to claim the prize...a chance to save the soul of his lost maiden. Something evil is lurking in the fruit cellar...and it wants to tear your soul apart!
