In the tradition of the previously successful "Instant Championship" series from Sports Publishing comes Seminole Glory: A Look Back at Florida State's 1993 Championship Season. From the pages of the Tallahassee Democrat, the home

newspaper in Florida’s capital, come the stories and photos capturing FSU’s remarkable National Championship Season. Democrat columnist Steve Ellis takes readers from the ecstasy of their thrilling Kickoff Classic victory over Kansas to the agony of their loss to Notre Dame in the "Game of the Century" to the triumphant joy as Scott Bentley’s fourth-quarter field goal in the Orange Bowl gave Bowden his first national crown. Also included are up-to-date feature stories, allowing Seminole fans to catch up with where their heroes are today. Players highlighted include Heisman Trophy winner turned NBA guard Charlie Ward, NFL Man of the Year and Super Bowl winner Derrick Brooks, freshman sensation turned NFL star Warrick Dunn, powerful fullback William Floyd, receiver Matt Frier and linebacker Ken Alexander. In addition to box scores for every game and season statistics, the book includes a chart which details the NFL careers of members of the 1993 team. With award-winning photography that takes readers inside the locker room and onto the field throughout this memorable season, Seminole Glory is sure to be a winner amongst FSU fans.
