BREAK THROUGH TO A LIMITLESS YOU Long before his blockbuster bestsellers "The

Power of Intention" and "Inspiration: Your Ultimate Calling," Dr. Wayne W. Dyer touched the lives of millions with a series of breakthrough masterpieces of personal development that empowered a generation. Now one of his most beloved and influential classic audio programs, "Transformation," is offered to the retail market for the first time in its original, full-length edition. In "Transformation," the man known to his fans as 'the father of motivation' will teach you how to use the powerful connection between thoughts and reality to break from the roles that control your life, and become what you were truly meant to be. By following his seven principles for personal transformation, you'll discover a clear path from negative to positive thinking, and will learn how to: Use thoughts to see and feel the positive in all situations Let go of power struggles and give without expectations Realize a way of enlightenment through being and believing Tap into the powerful energy of synchronicity and the new way of networking Beginning with a single thought, and opening up the whole universe, "Transformation" is classic Wayne Dyer at his life-changing best.
