If you are either learning German, or learning English as a second language (ESL) as a German speaker, this book is for you. There are many editions of The Adventures of Huckleberry Finn. This one is worth the price if you would like to enrich your German-English vocabulary, whether for self-improvement or for preparation in advanced of college examinations. Each page is annotated with a mini-thesaurus of uncommon words highlighted in the text. Not only will you experience a great classic, but learn the richness of the English language with German synonyms at the bottom of each page. You will not see a full translation of the English text, but rather a running bilingual thesaurus to maximize the reader's exposure to the subtleties of both languages.

找不到读的那一版本了。高中英语老师要求国庆看这个，因为快递问题，最后花了四天看了大半，这已经是我的极限了。回学校还要应付她的检查
