Ensure your students have access to the authoritative and in-depth content of this popular and trusted A Level History series. For over twenty years Access to History has been providing students with reliable, engaging and accessible content on a wide range of topics. Each title in the series provides comprehensive coverage of different history topics on current AS and A2 level history specifications, alongside exam-style practice questions and tips to help students achieve their best. The series: - Ensures students gain a good understanding of the AS and A2 level history topics through an

engaging, in-depth and up-to-date narrative, presented in an accessible way. - Aids revision of the key A level history topics and themes through frequent summary diagrams - Gives support with assessment, both through the books providing exam-style questions and tips for AQA, Edexcel and OCR A level history specifications and through FREE model answers with supporting commentary at Access to History online (www.accesstohistory.co.uk) Elizabeth 1 - Religion and Foreign Affairs This title examines the central issues of religion and foreign affairs throughout the period 1558-1603, concluding with an examination of the relationship between the two. Beginning with a broad survey of England's religious and international position in 1558, the narrative traces the Elizabethan religious settlement and in particular the impact of Elizabeth's own responses to the pressures from Catholics and Protestants alike. England's relations with Ireland, with Scotland and with the great powers of France and Spain are also discussed.
