In this delightful, rhythmic sequel to *One Odd Day*, the young boy awakens to find that it is another strange day, now everything is even, and his mother has two heads. This time, a school field trip to the zoo is dealt with in an odd, but even-handed manner. And, like its predecessor, children will spend hours looking for all the hidden objects in the incredible art. Square it all off with more "number fun" in the "For Creative Minds" section. All *Sylvan Dell* titles feature free educational resources at

www.SylvanDellPublishing.com, including the "For Creative Minds" sections and additional teaching activities. The "For Creative Minds" Section of My Even Day features the following activities: Even numbers have a match Zero an even number, Counting by twos, Square numbers: odd or even, Creative Sparks pairs, Defenders of the Truth: Math Riddles. Learning Magazine's 2008 Teachers' Choice Award
