These colorful games are perfect for teaching the important basic skills young learners need. As children race to complete their bingo cards, they learn basic vocabulary, math concepts, telling time, and money skills. Each set comes with 36 bingo cards, calling cards, tokens, and suggestions for extra activities and games that will help extend your child's learning. Students learn basic math as they race to complete their bingo cards. Students complete math facts or match the time or money presented by the caller.
