Raised in a family of demon hunters, Blair Murphy has her own personal demons to fight - the father who trained, then abandoned her, and the fiancA(c) who walked out on her after learning what she is. Now she finds herself training a sorcerer from 12th century Ireland, a witch from modern day New York, a scholar and a shape changer from the mythical land of Geall, while trying to keep herself from staking the sixth of their circle and host: a vampire sired by Lilith, the vampire queen theya (TM)ve been charged with defeating on Samhain. No stranger to butt-kicking, Blair finds herself taking a good whipping when it comes to that handsome and flirtatious Geallian, Larkin. And a couple of run-ins with Lilitha (TM)s right-hand gal gives Blair more than she reckoned for, mentally and physically. But will she be able to stay afloat long enough to defeat Lilitha (TM)s loyal in pre-battle bouts? Or will she find herself falling for the one thing she vowed never to give in to again? If the vampires dona (TM)t do her in, Larkin is certainly up to the task. Second in a trilogy from the #1 New York Times bestselling author
