"The 5 Attitudes of Parenting" is an indispensable guide for new parents, seasoned parents and even prospective parents. Author Rick Williams, having raised 6 successful children, provides a light-hearted yet powerful inner voyage of what makes an effective parent. You will not find suggestions for proper toilet-training nor how to get your teen to clean-up their room. What you will find are ideas and thought provoking exercises designed to help you cope with the daunting task of parenting. "The 5 Attitudes of Parenting" include... Attitude 1: Put on your own oxygen mask first. Attitude 2: Your job is to make yourself progressively un-needed. Attitude 3: Remember you were a kid once and did dumb things. Attitude 4: When all else fails...communicate. Attitude 5: Lead the Way. Rick considers himself a mediocre parent, but shares with you the many valuable lessons, his children provided...often the hard way. You may never look at parenting the same again. Whether you are a single parent or have a partner, "The 5 attitudes of Parenting," takes parenting to an extreme sport.
