The definitive guide to fishing and exploring the coasts of the Baja California Peninsula

Much more than a simple fishing guide, Hooked on Baja incorporates many true-life adventures from some of Baja's foremost outdoors personalities along with travel information, deliciously authentic south-of-the-border recipes and, for those who end up being "hooked on Baja" themselves, vital information on how to go about purchasing and legally securing real estate property along the picturesque coast of the Baja California peninsula. 75 black & white photos, 10 maps.
