Hank the Cowdog is on the case in his fiftieth mystery, and it's an extra long, laugh-out-loud adventure. When Hank gets invited, that is, invites himself on an archaeological dig, all he can think about is impressing the head scientist's beautiful lady dog. But Hank's heart isn't the only thing that's about to get stolen. Can the Head of Ranch Security save an ancient buffalo bone from thieves who want to devour the precious artifact and have Hank for dessert? Hear Hank and Little Alfred sing "The Lemonade Song," and while broiling in the summer heat, Hank sings "I'm Burning Up." This landmark audio is a must-have for all Hank fans.
