For any choir, team, or class to work together in a positive manner, the members must be comfortable with each other. Long-time educator Valerie Lippoldt Mack gives us some of her favorite teambuilding activities she calls IceBreakers. The book is divided into sections that include communication, energizers, problem solving, trust building, goal setting, and building respect. Using IceBreakers will change how you and your students approach rehearsals. The music will come alive, the group will become focused and your students will become more positive-minded musicians.
