The Pretty Little series is a big success—and this charming new collection will appeal to every creative crafter who wants to give a gift that’s personal and handmade with love. It features adorable presents to sew and decorate for brides, babies, housewarmings, birthdays, and hostesses-with-the-mostess. They’re all created by top designers, and use modern fabrics and inventive embellishments for one-of-a-kind results. The irresistible projects include a notebook cover, napkin rings, “Leaf it Alone” trivet, wedding portfolio, doll, and “Gentle Waves Pillow” for a newborn. Any one would make someone happy!
