"Readers will not be able to resist smart, quirky Evangeline as she unicycles her way through yet another wild tale. Original and fun." — KIRKUS REVIEWS

When a letter marked URGENT!!! arrives at Evangeline Mudd's bungalow, she is reminded of a promise she needs to keep: to set free the animals at Mudd's Marvelous Minks. Going undercover as a newspaper reporter, and with the help of Alexy Alexy, the world's highest-jumping dancer, the spirited heroine is back to join the fight for animal rights in a funny, fast-paced, whimsically illustrated novel.
