Jane Ganahl is one of millions of single people out there looking for love at midlife, and she's (more or less) happy (damn it!)

Jane Ganahl is forty-nine, single, and loving it—mostly. In *Naked on the Page*, Ganahl chronicles the highs, lows, and in-betweens of dating at midlife, along with the professional and personal changes that come fast and furious as she heads toward her fiftieth birthday. Writer of the popular “Single Minded” column for the *San Francisco Chronicle*, Ganahl employs keen insight and lively wit as she recounts the events of one tumultuous year in her life. Smart, funny, and always honest, *Naked on the Page* proves that there's still plenty of life—and love—after youth is gone.
