Each book in the series cuts through the jargon and mystique of the financial markets to give the reader a clear picture of how and why these markets function as they do. Key features include:

- clear definitions of financial terms

- worked examples of transactions and contracts

- summaries and overviews

- valuation techniques

- quick Quiz questions to reinforce the learning experience

- strip cartoons to explain complex trades

- entertaining cartoons from Alex to lighten the load

- war stories and anecdotes from Mark Mobius based on his remarkable experiences
