In this seventh book in the Gorean Series, beautiful and headstrong Elinor Brinton of Earth finds herself thrust into the savage world of Counter-Earth, also known as Gor. Brinton must relinquish her earthly position as a beautiful, wealthy and powerful woman when she finds herself a part of the harsh Gorean society. She is powerless as a female pleasure slave in the camp of Targo the slave-merchant. Forced to learn the arts of providing pleasure to any man who buys her, Elinor is determined to escape. Nevertheless, she is sold for a high price, and her master is determined to get his money's worth. Coinciding with the 40th anniversary of the first book of the Gorean Saga, TARNSMAN OF GOR, E-Reads is proud to release the very first complete publication of all Gor books by John Norman, in both print and ebook editions, including the long-awaited 26th novel in the saga, WITNESS OF GOR. Many of the original Gor books have been out of print for years, but their popularity has endured. Each book of this release has been specially edited by the author and is a definitive text.
