Taking the MCTS Windows Server 2008 70-642 certification exam? Want to check out sample questions and take some sample tests? Look no further. 'MCTS Windows Server 2008 70-642 Q&A' provides over 800 test prep questions organized around Microsoft's published examination objectives and sub-objectives. The correct answers

and explanations are given for all questions. The book also includes step-by-step instructions for successful test-taking strategies, and an explanation of the different question types used by both Microsoft at Prometrics and by Pearson VUE. The book's accompanying CD-Rom even includes sample practice tests and simulations!
