Washington native and expert angler Terry Rudnick knows the best fishing spots in the Evergreen State, from the marine waters of the San Juan Islands, just a short trip from Seattle, to the remote lakes of North-eastern Washington. "Moon Washington Fishing" leads both beginner and expert anglers to the best lakes, reservoirs, rivers, and coasts that the state has to offer. The sixth edition of this definitive guidebook includes detailed descriptions of over 600 fishing locations and 70 pages of fishing tips and advice. Complete with detailed regional maps and directions for each location, "Moon Washington Fishing" provides anglers with first-rate expert advice and all the necessary tools to head outdoors. Devoted campers, hikers, boaters, anglers, and bikers agree: "Moon Outdoors" authors know their stuff. They're recreation gurus who have hiked the trails, fished the rivers, and pitched their tents to provide readers with authoritative information and first-hand experiences. From coast to coast, "Moon Outdoors" has the U.S. covered.
