Many Christians are afraid to talk about their faith for fear of not knowing what to say. How can they prepare themselves? That's the purpose of "Handbook of Bible Evidences"--written by two bestselling apologetics experts, John Ankerberg and John Weldon. They provide clear and thoughtful responses to the tough questions seekers are most likely to ask--questions such as... "Hasn't evolution proved that Genesis is wrong?" "Isn't the Bible filled with historical and scientific errors?" "What evidence is there that Jesus rose from the dead?" Focused on topics related to the Bible, Jesus Christ, and creation, this powerful resource deals head-on with false assumptions and frequent misconceptions people have. And it's based on more than 30 years of apologetics research and ministry to unbelievers. A superb tool for helping readers know how to share their faith with confidence! Formerly titled "Ready with an Answer."
