"Praise for the "First Edition" The book is a great introduction it gives the students a sound basis, gets them thinking and gives them the confidence to move on' -" Sarah Nettleton, University of York " This book was a pleasure to read, given its clarity and the broad spectrum to topics covered so succinctly it delivers a grounded and measured

summary of the sociology of health. Perhaps most importantly however, I feel it achieves the task of promoting critical and questioning in relation to the medical model and our understanding of health as anchored in the social world' - "Zoe Hildon, Imperial College London " The eagerly-awaited new edition of Understanding Health: A Sociological Introduction brings together the best of current thinking in the sociology of health and illness in a truly 'readable' and concise manner.
