著者:Murphy, Liz 绘

出版者:

出版时间:2008-3

装帧:

isbn:9781934706220

The winsome art of Liz Murphy is presented in a new format: animal postcards that can be removed from the book and sent to friends, complete with sayings such as "Have a bow-wow birthday!" All the pages are perforated so that after the postcards have been sent, a mini-book remains, complete with art and fact-filled text about each animal.
