Experienced paper crafter Janet Wilson shows how to master quilling techniques in this beautiful and informative book. She goes on to show how to create five lovely

projects featuring native British wild flowers such as speedwell and sweet violet. Janet shows how to master quilling techniques such as loose coils, filigree shapes and huskings. Using step-by-step photographs and clear instructions, she then shows how to create five stunning projects featuring native British wild flowers such as speedwell and sweet violet.
