Vegas Heat is the powerful story of the Thornton dynasty. . . of Fanny's twin sons, Sage and Birch: alienated from each other, one is content in his conventional life while the other's search for happiness leads to tragedy - and renewed hope. It is the story of Fanny's two daughters: Sunny, betrayed by her husband, fighting a battle no woman should ever have to face. . . Billie, whose obsessive devotion to the Thorntons' children's clothing empire has kept her from finding love. It is also the story of Fanny's search for her own roots. . . and her relationship with Marcus Reed, the wealthy but mysterious businessman who promises her a passion she has been denied for too long. A poignant and passionate tale of pride and ambition, heartbreak and betrayal, tragedy and triumph, Vegas Heat resonates with drama and emotion. It is the story of a family's struggle for success against all odds and their search for love and acceptance.
